- Movie Nights** - We will send out an email if we put together an impromptu movie night and we will send out an email with a weather update on the day of our proposed dates. So sign up to get the updates if you have any interest in attending movie nights!

**We have done all of this out of our pocket so far and we simply can't afford to deliver flyers to over 80 families several times this summer. If you could please include your email we will keep you in the loop about what is going on. If you don't have email, please understand and check with your neighbors or give us a call to find out what current plans are. Thanks for your understanding!
